Bart Bierman and Eleonore Sijmons wrote the chapter on the applicable regulatory framework and regulations for banks in the Netherlands in the Global Legal Insights to: Banking Regulation 2019, which was recently published. The GLI to: Banking Regulation 2019 covers key topics for 28 jurisdictions including regulatory architecture, themes and developments, bank capital requirements, bank governance / internal controls, Fintech, rules governing bank's relationships with their customers and other third parties. An online version of the chapter on the Netherlands written by Finnius can be found [here](#). The chapters on other jurisdictions are also freely accessible via that website.
