We are proud to announce that the renowned international league table Chambers has recommended Finnius in its 2019 FinTech edition in the category **FinTech: Legal**. This is the first time that the Netherlands has been included in the FinTech edition.

Chambers writes: “Finnius is a highly respected financial regulatory boutique. The Amsterdam-based firm handles both contentious and non-contentious mandates and is a trusted adviser to international corporations, national financial institutions and startups. Finnius’ specialist lawyers have experience with payment services, blockchain, digital banking and alternative finance matters and are especially accomplished at handling cryptocurrency and investment fund issues.”

In addition, the following quotes are mentioned: “For regulatory questions, Finnius are outstanding.” And: “Finnius has a good group of lawyers with a good reputation.”
