Following the recommendations published in the Chambers Europe guide 2018, Finnius has again been recommended in the Legal 500 Europe directory within the **Banking & Finance: Regulatory** practice area.

Legal 500 writes:

“Finnius’ *‘excellent’* practice often advises financial institutions on EU regulatory issues and enforcement matters. The highly recommended Bart Bierman successfully advised Mastercard on a license application with the DNB, and continues to be instructed on ongoing issues. Andries Doets assisted Tele2 with obtaining a license from the Netherlands Authority for the Financial Markets as a credit provider. Casper Riekerk, Rosemarijn Labeur and Andries Doets are also names to note.”

Legal 500 has also praised Finnius in the **Investment Funds** category, and writes:

“Financial regulatory boutique Finnius provides ‘to-the-point, comprehensible advice’, and is noted for its strength in ‘assessing the regulator’s approach and likely responses’. Group head Rosemarijn Labeur assisted SilverCross Investment Management with its AIFMD licence application. ‘Solid, knowledgeable’ senior associate Tim de Wit is ‘fun to work with’.”
