Finnius rises to Band 1 in Chambers FinTech Legal Guide 2026

4 December 2025

 1 MINUTE

Chambers and Partners today released the FinTech Legal Guide 2026 and recommends Finnius as a leading advisor for fintech, this time in Band 1. This is a rise from Band 2 in 2025.

What the Team is Known For

Chambers describes Finnius as one of the largest financial regulatory law boutiques in the Netherlands, with a team that consists of predominantly senior practitioners with years of experience in previous roles at larger, international law firms. The practice combines non-contentious and contentious regulatory services, advising on MiCAR and DORA as well as assisting in sensitive investigations and enforcement proceedings.

Strengths

Our clients and peers reported to Chambers:

“Finnius has special expertise and experience on supervisory and regulatory matters in the Dutch market.”

“The Finnius team is super commercial, very experienced and also very creative in their solutions.”

“Finnius are very focused on this space and have excellent expertise.”

Notable Practitioners

Our colleagues Bart Bierman, Casper Riekerk and Tim de Wit are individually recommended. Chambers quotes our clients saying:

“Bart Bierman is fantastic. He is so commercially sharp and very responsive.”

“Casper Riekerk is very good and active.”

“Tim de Wit has a lot of hands on and tactical experience. He is very pragmatic and is able to break down technical financial law in an easy and digestible manner.”

We appreciate the recognition from our clients and peers. This ranking reflects our commitment to providing specialist expertise in financial regulatory law.
