

FINNIUS

Finnius welcomes Annabel Loeters

16 March 2017

 1 MINUTE

Finnius proudly welcomes [Annabel Loeters](#) to its team as of March 2017.

Annabel is actively involved in the field of Dutch financial regulatory laws. Besides advising, she focuses on investigations and proceedings in the areas of supervision and enforcement by the AFM and DNB.

Annabel studied International and European law as well as Dutch law at the University of Nijmegen, with a specialization in financial law. She wrote her thesis on the Dutch ban of inducements. Annabel was admitted to the Amsterdam bar in 2014.
