16 November 2018

 1 MINUTE

The parliamentary process with respect to Act on the Supervision of Trust Offices has been concluded on November 6th. The Decree stating the entry into force date of the Act has not been published yet.

One of the consequences of the entry into force of the Act will be the renewal of the exempt regulation. The Minister of Finance published the draft exempt regulation for consultation. The reaction of Finnius (in Dutch) regarding the draft exempt regulation can be found here [Consultation respons Finnius](#)
