Partner

Tim de Wit

Finnius proudly announces that Tim de Wit has been appointed partner as of January 1, 2021.

Tim has extensive experience in the field of financial regulatory law. He has worked as a lawyer since 2011 and is at Finnium since 2015. Tim mainly focuses on investment funds and investment services. He advises asset managers on the AIFMD, UCITS and MiFID II. He also advises market parties on the ever-increasing flow of related financial regulations, such as in the areas of integrity (Wwft and Sanctions Act), sustainability (SFDR and Taxonomy Regulation) and information provision (prospectus, PRIIPs and marketing). In addition, Tim advises market parties on the scope and impact of financial supervisory rules (such as PSD2) with regard to innovative and / or complex (FinTech) products.

In his day-to-day practice, he assists market parties in connection with license applications, (fund) notifications and AFM investigations. He also advises on the implementation of (new) supervisory rules.

Tim is a committed and analytically strong lawyer with a broad knowledge, who takes a critical attitude if necessary. His goal is to translate complex financial supervisory rules into practice in a way that suits the client's business.

Tim is recommended in The Legal 500 as a "Rising Star" and is listed as "Rising Star" by Expert Guides, both in the category Investment Funds.

Marijke Kuilman

Senior Associate

Finnius is pleased that Marijke Kuilman has joined Finnium as of January 1, 2021.

Marijke advises on financial (supervisory) law in a broad sense. Thanks to her experience as a lawyer, supervisor at DNB and later senior legal counsel at DNB, Marijke oversees financial regulations and the legal aspects of complex (international) transactions and approval processes. Marijke assists banks, insurers, payment service providers and other financial market parties and their shareholders with, among others, license applications, applications for a declaration of no objection and screening of board members for suitability and integrity. Marijke also regularly advises companies on governance aspects, remuneration rules, capital market transactions (such as the approval of prospectuses), investment fund structuring, commercial transactions and collateral.

Marijke is a passionate and goal-oriented lawyer, with an eye for detail. She has a practical approach and is clear in her communication and expectations.

From 2007 to 2015 Marijke worked as a lawyer (at Loyens & Loeff and NautaDutilh). For the past five years, she worked at DNB, first as a supervisory specialist in the market access department and subsequently as senior legal counsel. Marijke joined Finnium as of January 1, 2021 and has returned to the legal profession.

Finnium is a boutique law firm specialized in financial law. We combine top quality with a personal, clear and solution-oriented approach. Finnium's lawyers jointly have years of experience in this fast developing area of law. They gained this experience at renowned international law firms, large financial institutions and the Dutch Centrale Bank (DNB).

Finnium advises its clients on applicable financial laws and regulations. Finnium maintains contacts with the Dutch Authority for the Financial Markets (AFM), DNB and the European Central Bank (ECB) on behalf of its clients. If necessary, Finnium also litigates against the regulators.
